v1 Funny, I didn't notice where the time went;
 Why, only yesterday the days were long,
 My spirit resolute, my purpose strong.....

Br1 Give me time to make my peace,
 Make good what failings I still can
 And ease those now beyond control;

B2 To dot my I's and cross my T's,
 And somehow make a poem scan,
 It's ragged story vaguely whole;

Br3 Give me time to spend with those
 Whose love affords acute relief
 From all the wounds of my own pride;

Br4 But most of all, time to compose
 A simple message, which, though brief,
 Would sum up all I feel inside:-

Br5 A masterpiece of simple prose,
 To ease you through your own deep grief,
 And maybe keep me breathing by your side.....

v2 Funny, I don't recall quite where the time went;
 I've wasted oh so much of it, and yet
 Its passing holds so much I can't forget.....
