### INSTRUMENTAL, verse 2 AS VERSE 1

- V1      Now that you're gone, it's not just the skies that are grey;  
The sun which once shone now fizzled and faded away,  
The light that lives on falling, shadowless, into decay.
- V2      Now that you're gone, it's not just the night that is black;  
The stars which once shone now just tricks of the light that they lack,  
While the dark that lives on echoes quietly, you're not coming back.
