v1   Please say you do,
     Don't pretend you don't:
     I'd love to think you will,
     And can't believe you won't,
     So darling, let's go and do it now.

v2   You tell me that we shouldn't,
     But wonder if we could:
     A suggestion that we couldn't
     Is a reason why we should;
     And darling, we should do it right now.

     ===

Bridge   A holding of breath,
         A heart that won't still,
         A fear that you won't, but
         A guessing you will.

         A twist of excitement,
         A twinge of delight,
         A knowing I want to,
         A thinking you might;

         ===

v3   Please say we can,
     I'd hate to think we can't:
     Let's just agree we shall,
     It makes no sense to say we shan't,
     So darling, let's try it right now.
