v1 In hindsight, it came as a shock, I suppose,
That a world could exist at the end of my nose:
And I never saw it coming,
I just never thought it could be.

v2 I thought it was perfect, but somehow it seems
Perfection woke up while I stayed in my dreams:
And I never saw it coming,
It's something I just didn't see.

v3 I thought you loved me, I said I loved you,
But maybe the truth was, I just loved me too:
And I never saw it coming,
It just couldn't happen to me.
