Most of your wins etc (etc)

v1 And here they come, searching:

You'd think they'd know by now you're out of sight,
Yet still they keep on searching,
Searching through the night.

v2 And still they come, chasing:

You'd think they'd know by now you can't be caught
Yet still they keep on chasing,
Chasing for their sport.

Br1 Most of the lies were true,
Much of the truth was lies
And somewhere in between,
You've learned to recognise
That all your hopes and dreams have come to zero,
And left you here, a far from intrepid hero.

Br2 Most of your wins were empty,
Yet every loss complete,
And somewhere in that conundrum,
The reasons for your defeat:
Because of and not despite your well planned cunning,
You stand here now, so tired, so tired of running.

v3 And here they are, still coming:

You'd think they'd know by now you're home and free,
Yet still they keep on coming,
Coming relentlessly.
