- v1 After the service, we looked at the flowers,  
Laid out with love on the ground;  
Enjoying the sunshine, or dodging the showers,  
Discussing things while milling around.
- v2 After the service, we piled in the car.  
And drove off to the pub for the wake;  
Enjoying the company, propping up the bar,  
Discussing things over canapes and cake.
- v3 After the service, I stood up your urn  
On the bookcase by your favourite chair;  
Enjoying the telly, sometimes I turn,  
And almost think you're no longer there.
