----	--------	---------	--------	----

v1 Shall we lie contented,
Forever in this place?
Shall we lie beneath the sky?
Oh, shall we?

v2 Shall we lie together,
Forever in this space?
Shall we lie here, you and I?
Shall we? Oh, shall we?

Br1 We found the rings of Saturn in a hayloft,
The milky way beneath a fallen tree,
The universe lay right here in the meadow,
And what it held was simply you and me;

Br2 The galaxy was born behind a cowshed,
The orchard saw the stars begin anew,
The cosmos started here within the barley,
And everything there was, was me and you.

v3 Shall we lie here naked,
Forever in embrace?
Shall we lie and let life by?
Oh, shall we? Shall we?
