v1 So now, within this candlelight,  
Our shadows side by side,  
The world beyond these curtains  
Forgotten here inside,

v2 Move in ever closer,  
Reaching out to span  
The warmth that makes a woman,  
The strength that makes a man

Sub v1 And who, who can tell  
Quite what the dawn will bring  
If all these hopes and dreams can stay alive?  
And who, who can tell  
In spite of everything  
If what there is right here tonight will still survive?

Ch 1 So hold me close,  
Stay with me through the night,  
So I can be beside you  
Until,  
Until the morning light

v3 Moving ever closer,  
To conflagrate and fan  
The strength that makes a woman  
The warmth that makes a man

Sub v2 And who, who can tell  
Quite what the morn will bring  
If all these plans and schemes can stay alive?  
And who, who can tell,  
In spite of everything,  
If what we hold right here and now will still survive?

Ch 2 So hold me close,  
Stay with me through the night,  
So I can be beside you  
Until,  
Until the morning light
