v1 For every soul that's turning,
 For every doubt filled night,
 A distant lamp is burning
 And still shines bright;

v2 For every spirit falling,
 For every deepest fear,
 A distant voice is calling,
 Still loud and clear;

Ch 1 I sense the grief
 That wells inside you,
 Tearing you apart;
 But sense me, too,
 Just there beside you,
 Let it ease your heart.

v3 For every grasping finger,
 For every grip that fails,
 A distant wish will linger,
 And hope prevails.

Coda A distant wish will linger,
 And hope prevails.
