v1 Through the emptiness here,
You can almost quite hear
A loudness in the silence:
A whisper of death
In each sharp-captured breath
That gives our souls away.

v2 Through the black of the night
You can almost catch sight
Of a dazzle in the darkness:
A spark from the eyes
That takes by surprise
And gives our souls away.

v3 Listening out,
You can almost make out
A loudness in the silence:
An echoed rebound
With no tangible sound
That gives our souls away.
