v1 When the rains came
 From the sky,
 We took retreat and sheltered in the dry;
 When the rains came,
 We stayed warm,
 Waiting for the passing of the storm.

v2 When the snows fell,
 Blinding white,
 We hunkered down and sheltered for the night,
 When the snows fell,
 We took store,
 Waiting for the onset of the thaw.

Br One for all,
 And all that stuff,
 And if it gets us by, that's good enough;

You for me,
 And me for you:
 And if that does the trick, then it'll do;

v3 When the drought came,
 Dry and bare,
 We found the shade and took our shelter there;
 When the drought came,
 We lay low
 Waiting for the streams once more to flow
