CODA

v1 Like the lightest aroma that's floating my way,
The fragrance of flowers, or fresh hay,
Kissed warm by the sun on a bright Summer's day,
She's there.

v2 Like the murmur of something that calls on the breeze,
The faintest of rustles from tall trees,
Or the grass in the meadow that dances to please,
She's there.

Br1 Moving from a time of trouble,
Human warmth will quell the pain,
Aspirations then redouble,
Spirits come to life again;

Br2 Fresh from days of desperation,
Tender smiles will soothe the mind,
Hope joins dreams in inspiration,
Leaving sadness far behind

v3 Like a change in the air that will follow the rain,
Or the heart that will sing, with a sweet strain,
Of a hope, once subdued, that has risen again,
She's there.
