v1 A jaunty style, a carefree intuition,  
A breezy smile, a pleasant disposition,  
So versatile, a multipurpose show  
That neatly hides the things I feel below.

And if you see me swimming on a pleasant gentle tide,  
It's just to hide the floundering man inside.

v2 This casual play of cheerful presentation,  
The easy sway of upbeat conversation  
Is just a way of lying through my teeth  
About the things I badly feel beneath.

And if you see me waving, it's just a way to hide  
The panic of the drowning man inside.
