CODA

94	D	G	D	A7
98	D			

v1 A moment of clarity,
A focus of light,
A sharpness of vision,
Rich, clear and bright,

A wash of assuagement,
A surge of relief,
A swell of reassurance,
And belief,

A clarity of thought inside your head,
That maybe you are better than they said.

v2 A flash of lucidity,
A lifting of haze,
A clear aspiration
Of full sunlit days,

An instant of certainty,
An easing of doubt,
A gasp of recognition
Breaking out,

Lucidity of purpose ringing through,
And maybe you are smarter than you knew.
