v1 Lurking in an alias,
A cunning weave of mask and veiled disguise,
Unrecognised,
The sum of every random stranger's eyes:

Nobody knows, nobody knows,
Nobody knows who you are.

v2 Hiding in a half blank smile,
That briefly flits across an unseen face,
Then vanishes,
Retreating to a different time and place:

Nobody knows, nobody knows,
Nobody knows where you are.

v3 Fading to a question mark,
A question mark that hangs within the air,

Unanswered,
The shapeless form of truths no longer there:

Nobody knows, nobody knows,
Nobody knows what you are.
