----	----	---

v1 An easing of tension,
A slack of the rope,
Perpetual frustration
Resolving to hope;
And there in the calm
That descends from the night,
Assurance, the world is alright.

v2 Release from foreboding,
Remission from grief,
A long troubled anguish
Resolves to relief;
And there in the truce
At the start of the day,
A comfort, the world is okay.

v3 Confounding the riddle,
Unscrambling the clue,
Where deep seated falsehoods
Resolve into true;
And there in the logic,
In splashes of light,
Revelation, the world is alright.
