v1 The bad times are over,
It's good to see you smile;
So let's find a corkscrew
And celebrate in style:

ch1 A need to have you here,
A wish to find you strong,
Relief to see you back
Where you belong;

Let's say goodbye to heartbreak,
Good riddance all the pain,
And celebrate, the future's here again.

v2 The wishing is done now,
And every wish came true,
So let's find some glasses,
And raise them high to you:

ch2 A wish to feel you here,
A need to know you're strong,
A longed for reassurance
There's nothing wrong;

Let's just forget what went before,
And drink to what's ahead;
Let's celebrate, the future's here instead.
