v1 Like a dance across the ceiling of the room,
 A tango, lost in shadows from the fire,
 There, then maybe gone, within the gloom,
 You move in mysterious ways.

v2 Like a vapour trail that hangs within the air,
 An essence doomed to fade and then expire,
 Distinct, perhaps, yet also hardly there,
 You move in mysterious ways.

Br A paradox set loose inside a puzzle,
 A poser that will baffle and amaze,
 An anagram wrapped up in a conundrum,
 Moving in mysterious ways.

v3 Like a notion teasing lightly in the mind,
 A hint of subtle love, or wild desire,
 A something, yet a nothing much, combined,
 You move in mysterious ways.
