v1 Hold tight,
 There's a bumpy ride ahead,
 Hold tight
 As you slip and slide; I said
 Hold tight,
 While your knuckles turn to white;

v2 Stay low,
 Hold your wits, and don't forget,
 Stay low,
 You're the one they're out to get,
 Stay low,
 Keep your prize head from their sight;

Br Many's the time
 I've heard you bragging,
 That many's the time
 They can't touch you,
 And many's the time
 I've known that's just not true,
 So many's the time
 I've feared for you

v3 Be sharp,
 Never knowing who to trust,
 Be sharp,
 When it's down to you, you must
 Be sharp
 Through your every friendless night.
