v1 The disappointment felt inside,  
 When expectations wane,  
 The briefest hopes that then subside  
 To emptiness again;  
 Ch1 Through all the anguished churnings  
 Of longings that fell through,  
 It seems she'll never love you -  
 Boo hoo!

v2 Then caught within the quiet despair  
 Of all you thought was gone,  
 A flickered smile, a hint of care,  
 And something lingers on;  
 Ch2 While in the idle hoping  
 That wishes might come true,  
 It seems she just might love you -  
 Who knew?

v3 And even in that saddest hour  
 Where dreams begin to fail,  
 The merest shoot, the finest flower,  
 The strangest fairy tale;  
 Ch3 Through all the joyful poundings  
 Of hearts that beat anew,  
 It's clear she's always loved you -  
 Woo hoo!
