v1 Take a look behind,
Tell me what you see,
And was it all as glittered
As you wanted it to be?

The sound of fury, finally heard no more,
An empty shell of what once stood before;

ch1 And if you think you think you've shed at last
The fretting and the rage,
If this is you right now,
Then who's that on the stage?

v2 Take a look ahead,
Tell me how it seems,
And will it be as dazzling
As it did when in your dreams?

The closing of another strutted hour,
Tomorrow and tomorrow's crumpled tower;

ch2 And if you still can't get to grips
With petty heres and nows,
If this is you right here,
Then who's that taking bows?
