CODA

90	Bm
----	----

v1 In that world of playful phantoms,
Indiscretions dance and sway,
Shine just briefly now, then fade away.

v2 In that world of secret fancies,
Indiscretions waft and tease,
Here, then gone, with ever fleeting ease.

Br1 Better wry regret
Than simply just forget
A past that shapes the way we are today;

Br2 Better pause awhile,
And raise the fondest smile,
As indiscretions shine, then fade away.

v3 In that world of teasing memories,
Indiscretions float on air,
Buried deep at times, but always there.
