CODA

90 A

v1 Another flashback scene

Of what we might have been,
 Or what we could have done if only but;
 The same compelling act,
 More poignant for the fact
 That some scenes never make the final cut.

ch1 Deleted scenes,

The dialogues that seldom see the light,
 Of secret truths our lives go on despite.

v2 Awards that slipped us by,

Like glitter in the sky,
 Two secret selves who shun the spoils of fame,
 Yet never quite forget,
 And never once regret
 That some scenes hold their sparkle all the same.

ch2 Deleted scenes,

The narratives of never meant to be's,
 Still leave behind uncensored memories.

ch3 Deleted scenes,

The escapades still vivid all the while,
 Recalled at will, to quiet but knowing smile.
