v1 You came back to me,
Oh darling, I'm so glad,
When all my dreams had faded to the darkest black,
You came back,
Oh, you came back.

v2 You came back to me,
Oh darling, don't be sad,
With all I longed for lost along a railway track,
You came back,
Oh, you came back.

ch1 You've been so very far away,
And I can't find a single thing to say,
But Thank You for coming,
Coming back to me.

ch2 Our journeys are tortuous and long,
And seldom lead us back where we belong,
So Thank You for coming,
Coming back to me.

v3 You came back to me,
Oh darling, I'm not mad,
With all my feelings hampered by the words they lack,
You came back,
Oh, you came back,
Oh, you came back.
